### WATERWAY PROJECT HEARING CENTERS ON COST TO COUNTIES

Wide Divergence Of Opinion  
As To Lawrence And Beaver County Attitude

Swick Declares Local Communities Should Not Be Saddled With Cost

By ARTHUR C. WIMBER  
Special Washington Correspondent,  
New Castle News  
WASHINGTON, D. C., Mar. 20.—A wide difference of opinion over the willingness and ability of Lawrence and Beaver county taxpayers to bear a share of the expenses of improving the Beaver and Mahoning rivers developed before the house rivers and harbors committee today.

Estimates submitted to the committee indicated that the recommendations of the chief of the army engineers, Lawrence and Beaver county taxpayers would be required to bear a large share of \$10,000,000 of the project's original cost.

Opposes Cost On Counties  
Congressman J. Howard Swick again appeared before the committee to amplify his protest on saddling any of this burden upon the taxpayers. J. C. Argersinger, president of the Youngstown chamber of commerce, however, said Lawrence county was willing to pay her share of the burden. Asked by committee members about the situation in Beaver county, Argersinger said some people there wanted to help pay and others were opposed to this.

Argersinger said Lawrence county was represented at the hearing and would later go on record as willing to help improve the streams. He was referring to the fact that County Commissioner P. O. Elder is expected to tell the committee Lawrence county taxpayers are willing to share the burden.

Representative Derouen, member of the committee, remarked that the important thing was not the willingness but the ability of the counties to pay. He said the costs appeared like a pretty big penalty to impose upon local taxpayers.

When a member of the committee wanted to know if a taxing district might not be set up to raise the needed local funds through taxation, Congressman Swick said he did not think that would work out. He said he thought the only way the money could be raised would be through bond issues.

Put Most Cost On Two Counties  
Congressman Swick pointed out that three fourths of the proposed canal are in Beaver and Lawrence county, and that if costs were divided according to the length, the two

### Buys New Shoes; Fractures Ankle

Due to a vagary of fate, a young lady who had just purchased a new pair of shoes, will have little use for them for some time, an accident case at the New Castle hospital today revealed.

Miss Ella Doran, of 1022 Williams street, is in the hospital suffering with a fractured left ankle. The unfortunate accident happened a short time after she left a local store where she had purchased a new pair of shoes.

### Court Refuses To Direct Jury For Defendant

Directs Jas. O. McCormick's Counsel To Proceed With Testimony

### CONTROVERSY OVER TIME OF ACCIDENT

Testimony for the commonwealth in the case of James Oscar McCormick, charged with involuntary manslaughter in connection with the death of Leonard Cwynar in an automobile accident on Atlantic avenue, was completed this forenoon before Judge R. L. Hildebrand. The commonwealth fixed the time of the accident between 6:15 and 6:30 p. m. on December 22nd, and produced circumstantial evidence, to show that it was the McCormick car that struck the girl. Considerable testimony was given as to dinges and marks on the McCormick car, tending to show that it had figured in an accident. Coroner Orville Potter told about examining the car.

At the conclusion of the plaintiff's testimony the defense asked that the court direct a verdict in favor of the defendant, claiming that the commonwealth had failed to show that it was the McCormick car that had figured in the accident. Judge Hildebrand refused the motion, and directed the defense to proceed with the case.

Struck Wire Cable.  
The defense called John Wjewewicz who testified that he had gone to Aliquippa with McCormick on the afternoon of December 22, and that on the trip the McCormick car had bumped a fence on which wire cables were strung. He was uncertain as to whether or not the car had struck a post, and had not examined what injury had been done to the car.

Paul Daner also testified that he

Reading Stenographer Found Guilty In Murder Of Doctor

FRANCES SEPSE

Frances Sepse, 27-year-old stenographer, is pictured in the courtroom at Reading, Pa., shortly before a jury returned a verdict of first degree murder against her for the slaying of Dr. Paul R. Hess, her physician. While the defense contended the defendant was insane at the time of the killing, the state charged that unrequited love was the motive for the murder, which occurred in front of the physician's office last January.

### Cancellations To Feature Second Day Of Air Mail

(International News Service)  
NEWARK, N. J., Mar. 20.—With gradually lowering skies or ceiling and snow flurries or sleet forecast, the Army Air Corps' second day of resumed mail service will be marked by cancellations, it appeared today.

The flight of the plane due from Cleveland with the Chicago mail at 5 a. m., was cancelled at Cleveland due to low ceiling. Some confusion as to how many flights will be held up developed from new orders from Major General Benjamin F. Foulis ordering all flights called off unless the weatherman within the Army Air Corps' definition of "good." In army "good" is a ceiling of at least 3,000 feet all along the route.

Tellers have been appointed by Ralph Borsinger, president of the New Castle Motor Club for the club election which will be decided on Wednesday, March 21.

Tellers consist of Fred W. Wolford, chairman; J. W. Barnes and Ed. C. Wadding. The board of election met at 2:30 p. m. and counted the votes. The results went into the hands of the five directors up for election.

In the interests of economy this year the election has been conducted by mail, with the members mailing in their ballots.

### Three Are Hurt As Automobile Crashes Train

Machine Hits Pennsylvania Passenger Train On Mahoning Ave.

### REPORTS DIFFER ON ACCIDENT CAUSE

Auto Goes Through Guard Gates On Crossing And Hits Engine

Three persons were injured when a Pennsylvania R. R. passenger train bound from Pittsburgh to Sharon was struck by an automobile at the Mahoning avenue crossing in this city about 7:30 Monday night. The gates were down and the auto, Andrew Jacobs, rear Wilder avenue, did not see the train until too late to avoid a crash, according to reports.

The Injured:  
Andrew Jacobs, rear Wilder avenue, Seventh ward; injury to right knee.

Joseph Kovalick, 19, of 1910 Moravia street; fracture of the right arm and bruises about face; New Castle hospital.

Joseph Marcin, 19, Yoho alley, minor injuries about face; New Castle hospital.

According to the police report gathered by Lieutenant Criswell and Detective Moore, Jacobs was driving on Mahoning avenue, toward the Seventh ward. The train was operating toward the New Castle west side station.

The flight of the engine had on "dimmer lights" and he did not see it until too late to stop and he swerved his car left, through the gates and hit the engine. The watchman, Benjamin Augustine, claims that Jacobs was driving at a fast rate of speed.

The car was wrecked beyond repair. Kovalick and Marcin were removed to the New Castle hospital by Francis Schrantz, R. F. D. 2 and John Gurgan, 112 Miller street, in the former's automobile.

### Triple Tragedy In New Jersey Home

Husband Slays Wife And Daughter And Then Kills Self

(BULLETIN)  
(International News Service)  
SALEM, N. J., Mar. 20.—A young father killed his girl wife and their child today and then committed suicide in his home here.

Police called by neighbors found the bodies of George Beaton, 26, his daughter Ellen, 3, in the bedroom and Mrs. Mabel Beaton, 17, stretched across the bed and still living although with a bullet wound in her head. She died an hour later.

The Beaton's live in a two family house, the other half of which was occupied by Mrs. Beaton's mother, Mrs. Bertha Wright. She heard the shots and called the police.

Smart guy that Mussolini. He laid out a plan, where if it proved at the end that it wouldn't work, they couldn't find him. Quote a few things even we could do with a 60-year plan—everybody could get their code signed up; Louisiana could catch up with Huey Long; get the air mail straightened out; get the bonus settled; vote on remonetizing silver, and send a delegation to the disarmament conference.

Fifty Pittsburgh Police Raid "Indecent Show" And Arrest 82 Men Spectators

(International News Service)  
PITTSBURGH, Mar. 20.—Two of Sally Rand's fan dancing contemporaries were to be given hearings in morals court here today—on charges that they had forgotten the formality of using their fans.

Fifty East End police rode into the party in time to catch the finale. The "boys" who were watching the dancers, 82 of them, were bundled into patrol wagons and carted to the station house where they were released on \$15 bond.

The girls, however, whose "art" was not appreciated by the police officers, were booked for giving an "indecent show."

They said they were Virginia Cross, 25; Rae Evans, 25.

WASHINGTON, Mar. 20.—Feminine Washington still was chuckling today over the Mae West as official pepper-up of the grand old party, and the three little pigs who wanted the wolf to eat them before Henry Wallace got them, and the code hearing for the Roosevelt family at which a 168 hour week was not sufficient for Mrs. F. D. R.'s activities.

These and a host of other facetious developments were portrayed last night at the annual dinner and "stunt party" of the Women's National Press club in the Hotel Willard.

More than 500 women including the first lady, Mrs. John N. Garner, Madame Secretary Frances Perkins, Senator Hattie Caraway, Alice Roosevelt Longworth, Dolly Curtis Gamm, Mrs. Nellie Taylor Ross, and Miss Fannie Hurst, were present when club members presented their satirical skits.

All sorts of political situations were held up to friendly ridicule, not merely situations dealing with women.

### Byrd Ready To Start Rescue

(International News Service)  
LITTLE AMERICA, Antarctica, Mar. 20.—Rear Admiral Richard E. Byrd today was poised to take off in an autogyro to rescue two members of his Antarctic expedition who were forced down by heavy fog at an unknown point somewhere south of the main base.

The two airmen, Pilot William C. Bowlin and Radio Operator Clay Bailey, both of the U. S. navy, were returning from a flight to the "100-mile depot," and, on the basis of radio reports which later ceased, were estimated to be within 10 or 15 miles of the expedition's base.

President Seeks To Avert Threatened Disastrous Auto Strike

(BULLETIN)

(International News Service)  
DETROIT, Mar. 20.—President Roosevelt today intervened in the threatened strike of 200,000 auto workers.

In a telegram to William Collins, chief organizer of the federation here, the president asked that the strike be postponed pending a mediation conference.

New York, Mar. 20.—Exerting his supreme authority in an effort to avert the threatened strike of automobile workers, President Roosevelt today invited leading automotive manufacturers to Washington tomorrow after asking the American Federation of Labor to postpone the walkout.

The manufacturers, according to a statement issued by the National Automobile Chamber of Commerce at the conclusion of meetings lasting a day and a half, accepted the president's invitation and adjourned.

NEW YORK, Mar. 20.—The three executive members of the automotive code authority—Alfred P. Sloan, Walter P. Chrysler and Alvan Macauley—carried the automobile strike crisis to Recovery Administrator General Hugh S. Johnson today.

They paid a surprise visit to the NRA chieftain at his hotel within less than two hours after the National Automobile Chamber of Commerce had resumed its deliberations in a desperate effort to ward off the strike of 250,000 workers which has been called for tomorrow by the American Federation of Labor.

Make Johnson Visit.  
Accompanied by three other members of the N. A. C. C., Sloan, Chrysler and Macauley left the chamber session secretly and unobserved.

They took a taxi to General Johnson's hotel and were ushered up to his tower apartment.

Tomorrow is officially the first day of spring.

Rev. William Hammond, who was ordained at the First Baptist church last Thursday, performed his first marriage the very next day. A young couple from Mercer motored here and inquired for the new minister.

There is considerably more interest than usual this year in the coming of spring, tomorrow. With a record of continued cold weather for weeks, and with the first part of March much colder than a similar period for many years, it will be interesting to see if the official coming of spring by the calendar works any change.

(International News Service)  
AMSTERDAM, Mar. 20.—The Dowager Queen Emma, mother of Holland's ruling sovereign, Queen Wilhelmina, died in her palace today from an attack of bronchitis.

The generally weak condition of the queen mother, who was 75, was aggravated by the bronchial condition. She had been gravely ill for several days.

Queen Wilhelmina, her daughter, Princess Juliana, and Prince Waldeck, her son, who had maintained a constant death watch for many hours, were at Queen Emma's bedside at her death.

Queen Emma, the daughter of Prince George Victor of Waldeck, was the second wife of the late King Willem III, who died in 1890. Queen Wilhelmina was their only child.

counties would pay three-fourths of the \$10,000,000 required of local interests. He also pointed out that of the 21 bridges which would have to be changed to permit the improvement, 19 are in Lawrence and Beaver counties.

The congressman read the following statement to the committee: "I have reason to believe that my remarks yesterday were misunderstood by some, and that I have been represented as being opposed to this project. For that reason I again ask the indulgence of the committee for the purpose of making myself clear. The records of the chief of engineers will clearly indicate that I have been consistently urging this project since 1927, at which time I introduced the original legislation authorizing the survey of the Beaver, Mahoning and Shenango rivers, all other legislation relative to this project has been introduced by me, and I am still vitally interested and as strongly in favor of the project as I was at its inception."

**Taxpayers Can't Stand Load**  
"The point I desired to bring out yesterday, and I hope I make myself clear now, is that I do not believe the taxpayers of Beaver and Lawrence counties, both of which are in my district are in a position to bear almost one-fourth of the total cost of this project, which in my opinion should be borne entirely by the federal government."

"It has never been my intention to lay an additional burden on the

taxpayers of my district by promoting this project, and if that is done it will not be done with my sanction. The assessed valuation of the counties are not a true picture of their ability to pay. I suggest that you inquire into the delinquent tax list, if you wish to get a true picture of that matter."

**Entitled To Fair Treatment**  
"The district traversed by this project is one of the greatest industrial sections in this country, and has contributed in taxes to the federal government many times the cost of this project, and should be entitled to the same treatment at least, as that accorded other sections, where the federal government is expending huge sums without one cent being levied on the local taxpayers. The Tennessee valley project for instance. The state of Pennsylvania has already expended about three million dollars on the Pymatuning dam, which is a very important factor in this project."

**Youngstown Mayor Speaks**  
(International News Service)

Washington, Mar. 20.—Development of the Mahoning-Beaver canal is vital to the Mahoning valley steel industry, Mayor Mark E. Moore, of Youngstown, Ohio, today told the House Rivers and Harbors committee.

He told the committee the entire future of that region depended upon construction of this waterway.

"This water is our life-blood," Moore said. "If we don't get this aid, our steel center, which now ranks third in the country, with a billion dollar investment, cannot survive."

### Large State Flag On Display Here

Attracts Interest At Annual  
Meeting Of Federation Of  
Women's Clubs

Few people in New Castle have ever seen the state flag of Pennsylvania. A great many could not even describe it. Still more never knew there was such a flag.

There is one in town today, perhaps the first one ever here, or at least one of the very few. The flag has been loaned to the Federation of Women's Clubs by the Department of Property and Supplies, Harrisburg, and is one of the large size, 8 x 12 feet.

The state flag of Pennsylvania consists of the state seal, in the middle of a blue field, with a gold edge around the outside. The seal is done in gold and the whole thing superimposed on a solid field of blue.

On several occasions a state flag has been wanted here for some reason or other but none is available. It is possible that some organization will purchase one in the near future so that one may be available.

### PRESIDENT ACTS IN ATTEMPT TO HALT AUTO STRIKE

(Continued From Page One)

nature of their latest conference with Johnson.

The aid of General Johnson, who is standing by to mediate the crisis precipitated by the chambers' flat refusal to recognize or negotiate with the American Federation of Labor, was sought under the same mask of secrecy which has shrouded the automobile magnate's activities since their conferences began yesterday morning.

**White House To Act?**  
Washington, Mar. 20.—White House intervention in the railway and automobile labor disputes today appeared certain unless the warring elements speedily work out a peaceful compromise.

Mr. Roosevelt will enter the disputes only as a last resort to avert strikes. He has indirectly communicated with the disputing factions and has served notice that he wants action quickly. Unless progress toward peace is made speedily, intervention by the president is a matter of hours.

**Should Realize Folly.**  
The president hopes that Recovery Administrator Hugh S. Johnson and Federal Coordinator of Transportation Joseph B. Eastman, can handle the two situations. He feels the employers and employees involved should realize the folly of resorting to a strike.

In case Johnson and Eastman fail, however, the president is well prepared to act. He has already mapped out his program. In a lengthy conference with Attorney General Cummings. The president knows what his broad powers are, and is prepared to use them if necessary.

**Ominous Calm.**  
Detroit, Mar. 20.—An ominous calm hung over the industrial province of southeastern Michigan today, as manufacturers and workers of the nation's automobile industry held to courses which will bring them into collision at nine a. m. tomorrow.

At that hour, unless the employers back down or President Roosevelt effects a delay or compromise, 200,000 automobile workers in five cities will lay down their tools, the American Federation of Labor says. The A. F. L. making its greatest effort in history to gain a foothold in the hitherto "open shop" auto industry, demands recognition of its unions in the motor plants.

**Section Luncheon.**  
Section E of the Y. L. B. class of the Third United Presbyterian church will have a luncheon Thursday at noon at the home of Dorothy Gibson, Almira avenue.

**Spiritualist Church.**

## BRIDE AND GROOM TO LIVE IN NEW CASTLE

Mr. and Mrs. A. Ronald McCoy, whose marriage was an event of Saturday, March 17, in Ardmore, Pa., a Philadelphia suburb, have returned to this city and are at home to their many friends at 304 Fairmont avenue.

The bride was formerly Miss Jessie Callahan, daughter of Mr. and Mrs. J. Lee Callahan of Ardmore, formerly of New Castle, and the groom is the son of Mr. and Mrs. A. H. McCoy of Fairmont avenue.

The marriage ceremony was performed at 4 o'clock in the Matthew Simpson Memorial M. E. church at Ardmore with the pastor, Rev. Thomas Evans officiating. Miss Ruth Callahan, sister of the bride, served as maid of honor and Charles B. Matthews of Hamilton street, best man.

A small group, including the family of the bride and close friends of both the bride and groom, were witnesses.

Mrs. McCoy is a graduate of the senior high school of New Castle, class 1925, and of Slippery Rock State Teachers' college, class 1927. For the past few years she has been teaching in the schools of Lower Merion, Pa.

Mr. McCoy is a graduate, also of the 1925 class of the senior high school and at present is identified with the National Radiator company.

Both young people are well known in the city and have hosts of friends who are wishing them happiness.

## CHOIR HAS PARTY FOR GERTRUDE POTTER

Honoring Miss Gertrude Potter, outgoing matron of New Castle Chapter 105, O. E. S., the members of the choir and chapter entertained at a delightful dinner party in the Elks' club Monday evening, with Mrs. Lillian Potter, mother of the matron, and Miss Bessie Durant, incoming matron, as special guests.

A bowl of gorgeous daffodils centered the table and after a delicious menu had been served Miss Potter was presented with a lovely gift; Mrs. Anna Pyle, organist, was given a handkerchief shower and Miss Durant was presented with flowers.

Bridge, 500 and bingo formed the amusements of the evening hours and when play was concluded prizes were awarded Mrs. Lillian Potter at 5:00; Mrs. May Turner and Miss Potter, bridge, and Mrs. Martha Thomas, bingo.

## SHENANGO CHAPTER HAS INSTALLATION

Places were laid for 160 members and guests at the annual installation banquet of Shenango Chapter, No. 333, Order of the Eastern Star, in the west dining room of the Cathedral, Monday evening.

Mrs. Belva Bridenbaugh, worthy matron, presided as hostess in a charming manner. The table arrangements were in charge of the retiring officers of the chapter. The five colors of the order were used in the decorations and appointments. Mrs. Cecelia Young was general chairman of the dinner arrangements, with Mrs. Helen Reicher in charge of the dining room.

At the installation ceremony which followed the dinner, Mrs. Agnes Allen, junior past matron, was assisted by Mrs. Estelle Weddell, Mrs. Anna Rowland and Mrs. Marjorie Rhodes, past matrons of the chapter. Mrs. Myrtle Klingensmith was installed as worthy matron for the ensuing year, with Orville Brown as worthy patron.

Guests were present from Sharon, Youngstown, Pittsburgh, Washington, D. C., Beaver Falls, Indianapolis, and from the state of Texas.

Mrs. Bridenbaugh was the recipient of many beautiful gifts and flowers, in token of the esteem in which she is held by the members of the chapter and for her services during the past year. The incoming matron also received a number of beautiful gifts and flowers from the members of the chapter.

## MUSIC CLUB GIVES RETURN PROGRAM

New Castle was ably represented, musically, Monday evening, when several well known local musicians, members of the Music Club, presented a return program before the Monday Musical Club of Youngstown.

The event which was held in the Stambaugh auditorium interested a large audience. Mrs. J. L. Reed, club president, was in charge of the evening's entertainment and Mrs. Reed and the other local artists received an ovation.

The program consisted of vocal, piano and violin selections. It opened with a violin and piano number by Anthony Casbero and Dorothy Fisher, following which Miss Ruth E. Drescher, soprano, in her usual pleasing manner presented a group of four songs. She was accompanied by Kathryn Nessel Allen.

Miss Helen Ewing was heard in a piano number and a group of Garth Edmundson's compositions was given by Andrew De Lorenzo, tenor, accompanied by Kathryn Nessel Allen.

Miss Lewis gave a delightful solo number, followed by a second violin and piano selection by Anthony Casbero and Dorothy Fisher. Richard E. Johns, baritone, was heard in a solo accompanied by Mrs. Paul Welsh. "The Hungarian Rhapsody," for two pianos, was rendered by Kathryn Allen and Mrs. Paul Welsh.

The program was concluded with the ever popular "Sextette From Lucia" rendered by Miss Ruth Drescher, Mrs. Lillian Andrews Buckner and the Messrs William McCombs, Charles Stritmatter, Richard Johns and Sam McCleary, with Mrs. Paul Welsh accompanist.

## NO HOSPITAL SEWING UNTIL MARCH 28

Women who are devoting Wednesday mornings to sewing at the Jameson Memorial hospital are reminded that there will not be a meeting this week.

Next Wednesday, March 28, they will assemble at the usual hour.

(Additional Society On Page Seven)

by the hostess with the assistance of Mrs. J. A. McWilliams.

Afternoon hours were given over to a game of 500 with favors going to Mrs. Paul McCandless and Mrs. William Hamill, the latter of whom will entertain the club March 30.

**W. O. Club**

Members of the W. O. club will have a tureen dinner Wednesday at the home of Mrs. Katherine Ayers on the Harbor road.

Mrs. L. G. Nail was named president of the Circle of '91 Monday when the members met in the home of Mrs. David Reese on Reynolds street. Others elected were:

Mrs. Olive Marshall, first vice president.  
Mrs. F. E. Stough, second vice president.  
Mrs. C. Lee Mellinger, recording secretary.  
Mrs. Ralph S. Reed, corresponding secretary.  
Mrs. Thomas Lindsey, treasurer.  
Mrs. Roy A. Long, parliamentarian.

Following the business session, plans were discussed for the tour to Washington, D. C., during cherry blossom time in which thousands of club women from all over Western Pennsylvania will participate. Of particular interest at this time was an excellent descriptive talk on "Washington, the City Beautiful" by Mrs. T. A. Patterson.

Mrs. Carmi Glover, substituting for Mrs. Ralph Reed, gave two readings, one entitled "A Seedless Cherry Tree" and the other, "My Little Mother."

The next meeting will be with Mrs. F. E. Stough on Winter avenue, April 2.

**MISS MCCLELLAND HOSTESS TO CLUB**

Easter decorations were carried out artistically in the home of Miss Geraldine McClelland on Croton avenue, last evening when she was hostess to the M. M. club.

Lunch was served in the dining room with the aid of the hostess' mother, Mrs. Charles McClelland, after a period of card playing in which Mrs. Henry Brenneman won the favor.

The next meeting will be with Mrs. Ruth Patton of Neshannock avenue, the third Monday in April.

**L. A. P. Club**

A pleasing event of March 16 was a dessert luncheon in the home of Mrs. Carl Kahner on Laurel Boulevard. A delicious menu was served

### DANGER IN TARIFF DICTATORSHIP

WITH the Democratic house and senate preparing to enact the president's proposal that he be given sweeping power to make tariff and trade agreements without reference to congress, the statement of Senator Borah, attacking the tariff program, should be read thoughtfully by every voter in the country.

For instance:

"If congress is not fit to have a part in the matter of taxation, and of raising revenue, there is not an argument on earth in support of a representative form of government. . . .

"It is not a question of high motives, ability or sincerity of purpose upon the part of the one to whom the power is to be delegated. It is a question of difference of view and the right of the people of the respective parts of the country to present views and their interests when their interests are being passed upon."

The proposed autocratic power by the president over tariff is dangerous and should not be made law, asserts the Philadelphia Inquirer. Decisions of the president on the tariff and trade agreements should be based on recommendations by a federal commission, as at present.

### MOUSE, CAT AND DOG DESTROY HOUSE

This very curious incident was recently reported from Hazel Bar, Michigan:

"A mouse, a cat and a dog teamed up to destroy the house of Charles Gunisch. The mouse chewed on matches, setting the box afire. The cat chased the mouse, then the dog chased the cat and a can of kerosene was overturned. Mouse, cat and dog were burned, along with the house."

Quite contrary to this report, fire prevention authorities state that rats or mice do not chew on matches. Because this has been reported as the cause of so many fires, a test was made in which these rodents were confined in a glass case without food for several days. A number of ordinary matches left in the enclosure were untouched.

There is a fire hazard in connection with matches and rodents, however, which is caused by the possibility of a match being set off in the wall of a house as the rodent carries it to his nest. Accordingly, these potential fire brands should be kept in tightly closed metal containers, well out of the reach of children, who are more likely to cause fires with matches, than mice or rats. For safety's sake keep kerosene in closed containers where it cannot be knocked over.

It is interesting to note that the National Board of Fire Underwriters reported a loss of almost \$30,000,000 during 1932 from the careless use of matches and smoking materials. Petroleum and its products caused a loss of \$11,500,000 during the same year.

Fire losses in general have been reduced extensively in the past two years of depression. Let's keep them down as better times return.

### NOT ALL FREE MONEY

State, county and city officials throughout the United States will do well to note carefully a series of deals in municipal bonds which seem to give the death blow to that fatuous idea many such officials have permitted themselves to entertain that communities which borrow public works money from the United States may not have to pay it back.

The PWA projects are financed as to 30 per cent by outright grants from the Public Works Administration and as to 70 per cent by loans granted the communities in exchange for their bonds.

Many officials have made little secret of their feeling that the 70 per cent they were borrowing for their towns or counties or states might not ever have to be paid because a generous government would forgive the debt in time to come.

It now appears that a generous government may not be the holder of the debts when they mature, but instead they may be held in private hands throughout the nation and be presented for payment like all other obligations. Public Works Administrator Ickes has begun offering for sale to the public various issues of municipal bonds turned over to the PWA to obtain public works loans.

The first offering of the administration included sewage bonds of Belair, Maryland, road and bridge bonds of Erie county, New York, school bonds of Richmond county, Georgia, and general bonds of Cedar Rapids and Lynchburg, the total of the offering being \$337,000. With these bonds scattered among investors throughout the country, there is not much doubt that the communities which issued them will be called on to pay them when they mature.

The government, in selling the securities outright, ceases to have any interest in or connection with them and there will be no relief any federal authority can give from the payment of them when the time for payment arrives.

### SEEK TO CURB NOISES

A statewide campaign to bring about a lessening of traffic noises is planned by the Pennsylvania Motor Federation, A. A. A. The crusade against unnecessary horn blowing, opening of exhausts and other nerve-racking din will be waged through the eighty-one local clubs comprising the federation, and automobile, truck and motorcycle operators in every part of the state will be asked to co-operate.

"We do not hope nor expect to eliminate all traffic noise, but our aim is to reduce to a minimum the din of traffic that has become so bothersome in our towns and cities, and especially so during the spring and summer when householders and business establishments have their doors and windows open most of the time," said S. Edward Gable, president of the federation. "The manufacturers of motor vehicles have done away with practically all the noise of operation and have added so many safety devices that even the sounding of horns has come to be considered, except in occasional instances, unnecessary to careful driving. No longer is the sounding of horn or other warning signal at every intersection considered the proper thing. The cautious and experienced operator seldom has occasion to use the horn and, when that occasion arises, sounds it in a way that does not offend."

The federation's efforts will not be confined to the curbing of promiscuous horn blowing, but will include among other things, a campaign against unnecessary noises made by motorcycles and trucks. "It is impossible to operate a heavy truck without considerable noise," said Mr. Gable, "but some drivers overstep their rights and, without thought for pedestrians, for householders along the streets over which they are passing, or for other motorists, seem to try to make all the noise they can. This also applies to some drivers of motorcycles who, through racing the motors and the opening of exhausts, cause a racket such as sends shivers down the spine of all who happen to be nearby."

Kipling was right, according to scientists. They tell us that only the female mosquitoes bite and only the female flowers carry pistils.

### BETTER TIMES AHEAD

The new year for you may not have started as bright and encouraging as the early part of last year. But there are prospects of greater happiness for a larger number of persons in the year of 1934, so you should be hopeful.

There is every indication that more money will be in circulation, and that means more employment. More people working and more spending for necessities, makes for a fortunate economic circle.

Big business wants industrial activity, so that it can pay for investments in building and machinery.

Those who in the past have enjoyed the largest incomes, have seen them dwindle to a small fraction of what they once were.

There have been years of such bad conditions that many of those, with investments in industry are making a very determined effort to bring back industrial activity.

With so many forces, federal, civic and industrial, striving for a certain definite result, how can anyone fail to predict that 1934 will be better than 1933.

So be optimistic.

#### WITH THE WOMEN

If I talk flattery they say:  
"Be sensible," and when I try  
To talk the problems of the day,  
To other men they quickly fly.

My Nellie says: "Admire their looks.  
'Tis admiration women need;  
To gather wisdom they have books  
Crammed full with it which they can read."

So following Nellie's sound advice,  
I told a dagger standing by:  
"I've never seen you look so nice."  
She turned on me a scornful eye.

"Thank you," she snapped, "that I appear  
So very seldom at my best.  
I'd have you know throughout the year  
I'm very often finely dressed."

"You've seen me twenty times before  
When I was better gowned than now!"  
I'll flatter women folks no more.  
I'd like to, but I don't know how.

## The World AND THE Mud Puddles

### THAT "ILL WIND"

Twenty years ago Frank Colp, a Menominee, Wisconsin, grocer, unable to foresee the coming modern butter-making equipment, overstocked his store with the old dasher churns and butter jars. He stored the unsold surplus, racking his brain ever since to find a way of getting rid of it. It came out of a clear sky the other day when the closing down of creameries in the "farm strike" made it necessary for dairy farmers to make their own butter again. Colp's stock of old churns was cleaned out in two days—proving once more the old proverb about the "ill wind."

Bonus Dead, Inflation Isn't  
Fur To Fly In Pennsylvania  
Mrs. Johnson \$1 A Year Worker

By LESLIE EICHEL

Central Press Staff Writer  
WASHINGTON, Mar. 20.—The bonus may be dead, but inflation isn't.

One of the most outstanding of Washington writers, Kenneth Clark, head of Universal Service's Washington bureau, sums of the situation in this splendid, analytic manner:

"Back of the house passage of the bonus bill, in defiance of President Roosevelt's warning, lies a mixture of sincerity, hypocrisy, resentment, politics and plain rambunctiousness."

"As far as practical results go, the result will be nil. If the senate should pass it, as seems highly unlikely, President Roosevelt will dispatch a prompt veto to Capitol Hill."

"None is sanguine enough to think seriously of the house or the senate would override a veto either on the bonus or any other major legislation at this session."

"The house kicked up its heels, but congress will not jump over the fence."

### INFLATIONISTS TO FORE

Mr. Clark continues:  
"Inflationists led the bonus drive. They whooped it up for the president's emergency monetary legislation, though at the time they didn't think it went far enough. Events since have convinced them they are right."

"The problem, as they see it, is to get money into the hands of the people and to keep it circulating. To them bonus greenbacks offer the best medium. If Roosevelt had used the currency issue powers under the Thomas amendment, the bonus would have stayed in a pigeon-hole."

"Many votes were cast for the bonus with the plain knowledge the measure ultimately would be killed. If these members thought the bonus was to be paid now, they would have switched. That's a combination of hypocrisy and politics."

"Both Republicans and Democrats indulged. It gives them a chance to tell the people back home they tried their best, but—the administration didn't want it. That may, or may not, satisfy the veterans."

### GAVE THEM A CHANCE

Mr. Clark further points out:  
"Some of the fellows voted for the bonus simply because they wanted an opportunity, after all these months of complacency, to buck the White House. The belief was getting around that congress was little more than a rubber stamp. Many sincere Democrats resented it. They wanted to show they had co-equal rights."

"Irrespective of the merits of the bonus, not much harm, or good, has been done. The issue is far from dead."

"If economic conditions are not vastly improved before next session the bonus will come back stronger than ever. The urge then will be

irresistible to expand the currency. Roosevelt knows it."

### PENNSYLVANIA COMPLICATIONS

Another Washington observer, Thomas Wrigley, submits this anent the Pennsylvania situation.

"Watch the fur fly. The bitter feud in Pennsylvania's checkered political history is in the making. Senator David A. Reed will stand again as Republican candidate for the senate. Governor Gifford Pinchot has announced he will be a candidate and will take Reed's political scalp. Reed is one of the few survivors of the G. O. P. old guard still in office and still sticking to old guard standards. Pinchot is a firebrand, a Republican so independent, he sees eye to eye with President Roosevelt in many new deal problems. Pinchot is out to beat Reed and the powerful Mellon machine."

"But that is only part of the picture. At Harrisburg nominating petitions for the senatorial primaries have been obtained for Congressman Louis T. McFadden of Canton, Pa. McFadden has not formally announced as yet but if he enters the race anything can happen. McFadden is one of the bitterest foes of Andrew W. Mellon. It was McFadden who has charged in the house year after year that Mellon evaded his income taxes. McFadden also attacked Hoover in the closing years of his administration."

"Strange goings on for rock-ribbed old Pennsylvania, the G. O. P. stronghold. But here's something even more strange. McFadden two years ago was opposed for renomination in his district by the titular haired crusading wife of the governor, Cornelia Bryce Pinchot. It was a slam-bang campaign but McFadden, repudiated by the Republican national committee, nevertheless won. Not only that but he won the Democratic and prohibition nominations and thus didn't have to give a hook about the election when Hoover crashed to defeat. Now, if McFadden doesn't run for the senate but is content to run for the house, he may be opposed again by Mrs. Pinchot. Politicians are wondering—will Gifford be a senator and his wife a member of the house?"

# Pennsylvania Will Observe Centennial Of Public Schools

By JOHN W. SCOTZIN  
International News Service Staff  
Correspondent

HARRISBURG, Mar. 20.—The torch of learning, its light diffused alike over rich and poor, figuratively will have burned 100 years in Pennsylvania on April 1 when a week of celebration of a century of progress in public education will begin.

The act establishing the free educational system in the commonwealth was signed in 1834 by Gov. George Wolf. It set up, by means of taxation, the system of the school district organization which exists today within each municipality.

State educational leaders are completing plans for a gala observance with a view to impressing every citizen with the significance of the accomplishments in the field of education in the past century.

Gov. Gifford Pinchot, by official proclamation, has designated the first week in April as Pennsylvania educational week to provide "An opportunity for our citizens to familiarize themselves with the changes and progress during a century of advancement in public education, and to pay tribute to those who founded our system."

**State Celebration**  
The state celebration will be inaugurated on the evening of April 3, with a series of special programs in the forum of the education building at Harrisburg under the sponsorship of the department of public instruction.

Following a discussion of the inception and importance of public education by Dr. James N. Rule, public instruction superintendent, two dramatizations will be presented

by the faculty and students of the Shippensburg state teachers' college.

The legislative session of 100 years ago which approved the common schools law will be depicted in the first act while the second will review the memorable address of Thaddeus Stevens, acknowledged champion of free education, before the General Assembly a year later which was credited with saving the measure from repeal.

Leading spellers from 40 counties will participate the following day in final eliminations in a state-wide championship spelling bee. The evening will witness, through dramatizations, an old-fashioned school session, and, in contrast, a modern school project with a series of demonstrations showing results obtained under present day methods.

Early opposition to the school law arose because the rich were unwilling to pay for the poor and the latter frequently unwilling to pay the small proportionate share imposed upon them. Time, however, ultimately wrought a change of attitude.

Without attempting to gain Mrs. Stowe's approval of an adaptation, Aiken fitted her book into six acts, eight tableaux and 30 scenes to provide a play for little Cordelia Howard, daughter of the manager of a dramatic-stock company in Troy, N. Y. It ran 100 nights in Troy Mu-

seum longer than any play in Troy since), was moved to New York. Before it had completed a record run of 335 nights there, road companies ventured with the play into the hinterland where it ran in some form or another continuously for 80 years.

Mrs. Stowe never received royalties from the play, and didn't see it until 50 years after its premiere!

March 20, 1927.—On the 28th anniversary of the first execution of a woman (Mrs. Martha Place) in the electric chair, Albert Snyder, art editor, was beaten to death in his home in Queens Village, L. I., by his wife and her lover.

(In Connecticut, where she now dwells with a brother-in-law, Mrs. Judd Gray is reported engaged to be married. Next Aug. 26, her daughter, now 13, will receive another of the birthday letters written to her by her father as he waited death with Mrs. Ruth Snyder in Sing Sing prison.)

## AROUND CITY HALL

Police chronology for 24 hours ending 3:30 p. m., March 19, seven arrests on charges as follows: drunkenness 6, violating parking law 1.

Ire of Mayor Mayne flashed yesterday and Tom Kenyon, Detroit, who did not know when he had a good thing is now doing a 60 days stretch in the Allegheny county workhouse. Tom came here some time ago and was cared for by the transient bureau, a federal organization. His room and food were paid for. Nevertheless he persisted in appearing almost every day for a week past in police court.

Civil Service Board for Firemen has made new regulations relative to the paid fire department according to notification which reached council yesterday. There is nothing new in the regulations that should disturb anyone. Anyone of bad or disreputable habits will be prohibited from taking an examination. A person who has been a fireman will be considered eligible for reappointment providing he passes a physical test.

Automobile salesmen thronged the city building yesterday when cars, were offered for sale. The five passenger car yet to be bought is to be used by Director of Streets B. F. Butler, Commissioner Carmi Glover and City Engineer Harry Hoskins. Hereafter the commissioner has used a roadster. In the future, according to reports in city hall circles, a daily inspection of streets will be made by the foregoing trio.

Although the CWA is to be succeeded by the Federal Emergency Relief board J. K. McQuiddy, a foreman, isn't worried. He reported in city hall yesterday he has plans mapped out for summer activities. He is the chap who supervised the construction of the Neshannock creek wall and at present has charge of the Croton avenue hill wall. The wall has been completed for a distance of about 550 feet and in some places is 80 feet high.

There is no question that the garbage department is pinched and in need of trucks. The department has four in operation. One should be overhauled. One of the four is employed two days each week to remove tin cans. It may be true that removal by the city of tin cans is an "accommodation". Yet the citizens have had their cans removed for years and have come to accept the removal as a duty of the city. The garbage department has been a very efficient organization. Purchase of equipment, if the money can be found, will keep the department efficient.

Counterfeit money. Any of it here? Sure. Some of it is at the police station. One of the bills is a \$10 note. Close scrutiny shows it is badly done. Hunters say it is difficult to pick up a cold trail. Detectives Chief Willis McMullen agrees with them and says all robberies should be reported soon as discovered. It may sound fishy but the truth is some people who break the law when it suits them report others when it doesn't suit them. Apparently all efforts to have the north bank of the Neshannock creek stonewalled have been dropped. Sycamore Way yesterday was no credit. It was so icy

Among the recent police arrivals here is Trooper Jack Bradbury. He was sent from Butler barracks to the New Castle Station, Colonial Hotel, yesterday to relieve Trooper Paul Engle who has a 19 days leave of absence. Bradbury formerly was stationed here. He will return to the Butler barracks when Engle returns. The State police detail here consists of Troopers in charge Hughmanick, Roswell and Bradbury. The highway patrol in West Grant street consists of Corporal Lawton and Patrolmen Cunningham, Sarko and Stoopes. However, the latter is off duty having only recently been released from New Castle hospital where he underwent an operation.

CUPID AND JOAN know what they're talking about! Lux Toilet Soap does such lovely things to the skin that of the 694 important Hollywood actresses, including all stars, 686 have used Lux Toilet Soap for years. There's no reason why your skin can't be as alluring, as captivating as theirs. Get yourself some Lux Toilet Soap and see!

JOAN: "Cupid, you rascal, are you really selling your arrows? What is this I hear about your taking on a partner?"

CUPID: "So the gossip's reached Hollywood! I might know a girl born near Broadway would have all the latest dope. Yes, Joan, I've gone into partnership with your old friend Lux Toilet Soap."

JOAN: "I see what you're up to, Dan—you don't want to work any more!"

CUPID: "Why should I work when Lux Toilet Soap makes a girl so lovely that some man is trying to date her up every minute? You ought to know."

JOAN: "I have to admit that Lux Toilet Soap does make your skin simply ravishing. And men do fall for a beautiful complexion every time."

CUPID: "You said it! Why, that soap turns spinsters into brides—and swell-looking ones at that."

## Flashes From Our Night Schools

**Supervisor**  
Students in the night schools of the city have been smitten with basketball fever, and enthusiasm is at a high pitch. Last Thursday evening, the North Street varsity teams, both boys and girls, defeated their rivals from the

South Side. The North Street boys trimmed the Lincoln and Garfield quintet by a score of 28-9, while the North Street Maidens were on the long end of a 13-2 score. The North Street team was led by the Misses Barris and Miss Daugherty, formerly of Mt. Jackson high school. Wednesday evening, March 21,

March 21, at 8:30, in the Lincoln and Garfield gym, the teams will again clash. Frank Leonard, former Thiel football captain and basketball star, will have his teams primed to stop the North Streeters.

Saturday morning at the George Washington gym, the fast Castle Five quintet, led by Gennick and Perotta, defeated the North Street varsity by a score of 16-12. Howard Ausen, who had played a bangup game against the South Siders, missed many shots at the basket but hoped to get going again against the South Siders.

# VIGILANT CLASS DINES AND ELECTS

The Vigilant class of the First Presbyterian church had its annual dinner and election of officers Monday evening at the church.

At 6:30 a delicious dinner was served by the members of the Mizpah Society, with covers arranged for 48 and tables suggestive of spring.

A business meeting followed dinner and officers for the coming year elected were: president, Mrs. H. M. Kirk; vice-president, Mrs. John Elliott; secretary, Mrs. Sadie Angus; assistant, Mrs. Harry Reynolds; treasurer, Mrs. A. A. Webb; teacher, Mrs. W. E. McClure, and assistant, Ella McWilliams.

## Deborahs Meet

The Deborahs of the Third U. P. church met last evening at the home of Miss Clara Aiken on Adams street. Mrs. Thompson was a special guest.

The devotional period and business meeting was conducted by Miss Edith Sherbine, with the following hours being spent socially.

Lunch was served in the dining room, Mrs. T. L. Aiken assisting her daughter. St. Patrick's decorations prevailed.

# JUNIOR B. P. W. WILL PACK EASTER BASKETS

With Easter a little more than a week away, one's thoughts are turning Easterward.

Stores are showing counters of Easter bunnies, eggs, chickens and whatnots to delight the kiddies and to gladden the hearts of many little folks who are numbered among the unfortunates, several baskets filled with these things will be packed this evening by members of the Junior Business and Professional Women's clubs after the dinner in the Elks club, scheduled for 8:45.

Miss Louis Biggins, the club president, will be in charge of the meeting, and after they are packed, the baskets will be delivered by a committee of club girls.

## Tureen Dinner

A tureen luncheon tomorrow, Wednesday, in the home of Mrs. Bessie Johnson, 202 Boyles avenue, will be of interest to members of Section 3 of the First Christian church.

## Juanita Club

Mrs. R. B. Beals, 518 Moody avenue will have the Friday evening meeting of the Juanita club in her home.

# WOMAN'S CLUB NAMES OFFICERS

"The best laid plans of men and mice gang aft agley" applied to the program at the Monday meeting of the New Castle Woman's club, for it was planned to honor the oldest member, Mrs. S. E. McCleary at this time on the occasion of her 90th birthday, but Mrs. McCleary's strength, after the excitement of the past two days, was not equal to attending the meeting. Nevertheless she was remembered at the club and Mrs. E. F. G. Harper, club president, paid a most beautiful tribute to her long, full life and with the compliments of the club members a large bouquet of spring flowers was sent to her during the meeting time, the ambassador of good will being Mrs. Robert M. White.

Mrs. H. M. Kirk, chairman of the ways and means committee, announced that every plan is working out beautifully for the style show and bridge party Thursday evening at the New Castle Dry Goods store, which is the one and only fund raising project of the Woman's club during the year. Many reservations have been made for tables and Mrs. S. D. Perry, who is in charge of the models, says the garments to be shown will be worthy of milady's attention.

An election of officers featured the business session, at which time the result was:

President, Mrs. Archibald H. Davis, Jr.  
First vice: Mrs. E. F. G. Harper.  
Second vice: Mrs. H. W. McKee, Jr.

Recording secretary: Mrs. H. C. Dinsmore.

Treasurer: Mrs. A. B. Vogan.

Corresponding secretary: Mrs. B. H. Kannenberg.

Parliamentarian: Mrs. T. A. Gilkey.

The legislative committee was in charge of the program with Mrs. W. A. Taylor introducing the speaker of the afternoon, Prof. R. E. Jones of Westminster College, who talked on the "Single Tax" which is being exploited by a league in this country.

He told of the various ways in which the taxes of the country are expended and explained in a concise, clear manner just what the single tax is, a tax on property. Many questions were asked by the women of the club and Prof. Jones answered all in a most intelligible manner.

The April 2 meeting of the club will be at 8 p. m. instead of 2:30 and the program will be in charge of the Junior Woman's Club.

At the April 16 meeting the revision of constitution and by-laws will be acted upon.

## CURRENT EVENTS '06 AT ROBINSON HOME

At the meeting of Current Events '06 Monday afternoon in the home of Mrs. Ida Robinson of Walnut street, roll call was answered by naming presidents of the United States.

A number of reports were heard among which was one from the blind committee from Mrs. J. D. Ingham.

The president, Mrs. Thomas Nesbitt, appointed a new program committee for the coming year, consisting of Mrs. P. L. Hogan, Mrs. Frank Rudesill and Mrs. Earl Cook.

An interesting discussion of current topics ensued and adjourning, the circle will meet April 2 with Mrs. Charles E. Book, Brooklyn avenue.

## N. W. C. Club

Mr. and Mrs. Joseph Orrico of Blakey avenue delightfully entertained the members of the N. W. C. club at the home recently.

Following the regular business meeting the gathering enjoyed an amusing program prepared by the host D. Vitale, during the course of the evening, rendered several pleasing selections. He also sang several Italian tunes. He was accompanied by B. Gurnea on the accordion.

One of the features of the evening was Miss Jeannette Gurnea an acrobatic dancer who performed cleverly. H. Ross also entertained. At an appropriate hour, a delicious buffet luncheon was served by the hostess.

## T. M. T. Club

Miss Dorothy Vert of East Lutton street, will receive the members of the T. M. T. Club in her home on Wednesday evening.

## Moonlight 500

Mrs. George Woodring, Almira avenue will be hostess to the members of the Moonlight 500 club on Friday evening in her home.

# Y. P. C. U. MEMBERS BANQUET LAST NIGHT

Forty members of the Young People's Christian Union society of the Second U. P. church, County Line street, attended the society's annual twelve dinner in the church dining room last night, at which the annual election of officers was the outstanding feature.

The group reelected Henry Millison for his third term as president and named Don Crowl, vice president; Ruth Weir, secretary and Jean Wimer, treasurer.

President Millison presided during the business session in which reports of the secretary, treasurer and the editor of "Chatterbox," the society paper.

A committee, composed of Dr. C. K. McGeorge, the pastor, chairman; Ruth Weir, Bill Brenner and Jean Wimer, was designated to plan the Easter sunrise service of the society in the church. Invitations have been mailed to other churches to participate.

Arrangements for the splendid dinner-program of last night were handled by the society's social committee with Jean Parker, chairman; Chauncey McGeorge, Carl Weir and Leonard Hanna as members.

## LEGION AUXILIARY PLANS ACTIVITIES

Following a tureen dinner in the Legion Home last evening which was largely attended, members of the Ladies Auxiliary of the Perry S. Gaston Post, American Legion, held their business session, when plans were made for a number of activities.

Arrangements were completed for a large group of members to attend the Four-County Council meeting in Rochester on Thursday.

Plans were also made for a big party to be held on the evening of April 6, in the Legion Home, with Mrs. James Cooper, as chairman assisted by Mrs. Phil Greer and Mrs. William Reynolds on the general committee, and Mrs. Ivor V. Davis and Mrs. Simon Hartman in charge of the lunch.

A card party is being held this evening at the Legion Home with Mrs. James E. Moorhead as general chairman, and a large number of members and their friends are expected to attend.

## RELATIVES HONOR MRS. WYLIE SCHIEK

Mrs. Wylie Schiek, the former Ruth E. McBride, was complimented with another post nuptial affair Saturday evening in the North Cedar street home of Mrs. Bessie Schiek.

About forty relatives and friends, several of whom were from Alliquipp and Wampum, spent a delightfully informal evening, a feature of which was a miscellaneous shower for the bride.

An appetizing lunch was served, the hostess having for aids her daughter Betty and Mrs. Isabel Ralston.

Mrs. Schiek departed yesterday for Stamford, Conn., where she will join her husband and make her future home.

## Plan Big Events

Miss Pearl Colnot delightfully entertained at her home on Ray street Monday evening the members of the executive and program committees of the Queen Esther class of the Third U. P. church, taught by Mrs. Bernice Hook.

Plans were started for the annual Home-Coming Sunday which will be held April 15 and also for the annual banquet which is to be an event of April 16. Every member and former member of the class is to participate at each occasion.

Complete arrangements for the above mentioned events will be made by the program committee which is comprised of Miss Marietta Daugherty, Miss Grace Ober, Miss Peg Fox, Miss Thelma Rose, Mrs. Wilbur McKibben and Miss Betty Gray.

## Vade Mecum Club

Mrs. Frank Taylor of Neshannock boulevard will entertain Vade Mecum members at a dessert-bridge Thursday instead of Friday as previously planned.

## T. N. T. Club

Thursday at noon Mrs. W. J. McCulla, McClelland avenue, will be hostess to the members of the T. N. T. club in her home.

# Pennsy Did Not Violate Act Is Court's Opinion

Obtaining Stock Ownership Of Wabash And Lehigh; Not Violation Of Clayton Act

(International News Service)  
WASHINGTON, Mar. 20.—By an extraordinary 4 to 4 decision, the supreme court Monday held that the Pennsylvania railroad did not violate the Clayton anti-trust act by obtaining stock ownership in the Wabash and Lehigh Valley railroads. Justice Roberts took no part in the case. The remaining justices were equally divided, which resulted in affirming the decision of the third circuit court of appeals. The lower court had set aside an order of the interstate commerce commission to the Pennsylvania railroad and its holding company, the Pennsylvania company, to divest itself of stock. The commission contended that by acquiring 30 per cent of stock in the Lehigh and 49 1/2 per cent in the Wabash, and actually more than half the voting stock, the Pennsylvania was in position to substantially lessen competition between the railroads. The Pennsylvania company, thru which the purchases were made, is owned 100 per cent by the railroad company.

## State Will Aid In Campaign For Wage Compliance

State Inspectors Will Investigate Reports Of Wage Violations

HARRISBURG, Pa., Mar. 20.—Edward N. Jones, Federal NRA Compliance Officer for Pennsylvania, announced today the ratification of an agreement with Miss Charlotte Carr, Secretary of the Pennsylvania Department of Labor and Industry, providing for the use of State Inspectors in the drive for compliance with the wage and hour provisions of the various codes now in effect. "Negotiations for this agreement whereby Miss Carr's department will assist in initial field investigation work for NRA have been under way for some time and the agreement is similar to agreements effected with labor departments in other States," said Mr. Jones. "These inspectors also are empowered to receive complaints of violations of wage or hour provisions of industrial codes, which will be forwarded to the NRA offices at

## DANDRUFF Ends Overnight!

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get some plain, ordinary liquid arvon, apply it at night when retiring, using enough to moisten the scalp and rubbing it in gently with the finger tips. By morning, most if not all of your dandruff will be gone, and two or three more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It won't cost you more than thirty-five cents (35c). This simple remedy never fails.

## Select Committees For Big Convention

Sons Of Italy Convention Takes Place In Cathedral In June

Venerable John DeLorenzo, of the Sons of Italy Lodge No. 1171, at the regular meeting of the organization in the King Humbert hall on Division street, appointed 50 committees to be in charge of the Sons of Italy convention, sometime in June, in The Cathedral. Rev. Fr. Nicholas DeMita, pastor of the St. Vitus church, will be in charge of the affair, which will bring to New Castle several thousand persons from cities throughout Pennsylvania. The chief executives of the Sons of Italy, in Philadelphia, will also be present. According to officials of the local organization, the convention will be one of the biggest ever to take place in New Castle.

On Thursday night at 7:30 o'clock in the basement of the St. Vitus church, the committees selected yesterday, will hold a meeting for the purpose of formulating plans for the convention. Rev. Fr. DeMita, will be in charge of the meeting. During the course of the meeting Sunday, some ten new members were initiated. Dr. Warren V. Masaro and John DeLorenzo, venerable, delivered addresses. Over 200 members were in attendance. The next regular meeting of the Sons of Italy will be held on Friday evening, April 6, in the King Humbert Hall.

# INSULL MAY BECOME VIRTUAL SHIP PRISONER

## Insull May Be Unable To Land

Will Be Extradited If He Arrives In Any Territorial Waters

## GREEK SHIP NOT VERY SEAWORTHY

By KINGSBURY SMITH  
International News Service Staff Correspondent

WASHINGTON, Mar. 20.—Steps were being taken by the government today which, if successful, will make Samuel Insull, former Chicago utility magnate, a virtual prisoner aboard the Greek freighter Malotis in the Mediterranean.

Efforts were being made through diplomatic channels to induce the governments of practically every nation bordering on the Mediterranean to agree to detain Insull if the freighter enters their territorial waters.

## Close Escape Routes

The plan is to close every possible avenue of escape for Insull in the hope he eventually will agree to return voluntarily to the United States and stand trial at Chicago in connection with the collapse of his former middle western utility empire.

Under international law, the United States can request any foreign nation with which it has an extradition treaty to hold a fugitive from justice in the event he enters within that nation's territorial jurisdiction.

This government has extradition treaties with practically every nation bordering on the Mediterranean with the exception of such little states as Monaco.

American diplomatic representatives abroad have been instructed by the state department to request the Mediterranean nations with whom this government has an extradition treaty, to agree to hold Insull for extradition proceedings if the Malotis enters their territorial waters.

## Two Escape Avenues

This would leave the aged financier only two avenues of escape from the Mediterranean, the Suez Canal into the Red Sea, or the Straits of Gibraltar into the Atlantic.

The Suez Canal is an international waterway while Insull could pass through the middle of the Straits of Gibraltar without enter-

ing any territorial waters. In both waterways, he would be considered on the high seas and therefore free from any territorial jurisdiction. However, officials here cannot conceive that Insull will attempt escape by either of these outlets. The Greek freighter is known to be an old tramp and it is doubted whether its crew would dare venture out into the Atlantic.

## Barred In Abyssinia

Addis Ababa, Abyssinia, Mar. 20.—After a lengthy consideration of all circumstances involved, the foreign office announced today that Samuel Insull, fugitive American financier, would be refused an Abyssinian visa should he apply for such a document.

It was announced also that to date Insull had made no application for a permit to reside in Abyssinia.

The announcement of the foreign office closed to Insull the borders of one of the principal countries considered by his advisers as being a haven from extradition to the United States.

## MERCER MAN DIES OF AUTO INJURIES

MERCER, Mar. 20.—John Guiler, aged 23, died in the Mercer Cottage hospital today of injuries received in an automobile accident on Tuesday night of last week.

He was the son of Charles E. and Margaret Adams Guiler and was born and spent his entire life in Mercer, where he was well and popularly known. He is survived by his wife, Florence Bancroft Guiler, one daughter and one son, his father and stepmother.

The funeral will be held today at 2:30 p. m. from the home of his father on East Market street, and will be conducted by Rev. John S. Duncan. The body will be placed in the Mercer Mausoleum.

## COW DIES OF RABIES, QUARANTINE LIKELY

BEAVER, Pa., Mar. 20.—Brighton township farms may be placed under an animal quarantine as a result of the discovery that a cow owned by Mrs. Anna Ambrosia had died of rabies.

Dr. Graydon S. McKee diagnosed the disease as rabies. State officials are planning to place all animals, including dogs, cows, horses and sheep under quarantine. The cow was believed bitten by a dog.

## First Birthday Of Brownie Pack Celebrated Here

Party For Mothers Marks Completion Of First Year Of Brownie Work

The New Castle Brownie pack celebrated its first birthday anniversary with a party at the home of Mrs. Ruth Ferver, Lincoln avenue, on Saturday afternoon. The event, commemorating the organization of the Brownies here one year ago, was attended by the mothers of the members. It was in charge of Mrs. Ferver and the Tawney Owl, Miss Martha Magill.

Brownie are girls who are not old enough to be Girl Scouts. The Brownie pack activities are in some respects preliminary to the training offered by the Girl Scout organization. Upon reaching the age to become Girl Scouts the Brownie members are given "wings" with which they may "fly" into a Girl Scout troop.

At the Brownie birthday party four girls who have never missed a meeting in the entire year, Shirley Cartwright, Elaine Keifer, Ruth Gilliland and Phyllis Mary Ferver, were awarded attendance stars. Judy Klivans and Ann Carson had nearly as good and also won attendance badges.

Golden bars (to those who have lived up to the Brownie standard for one year) were presented to eleven of the girls.

An interesting feature of the evening was a puppet show presented by Mrs. Winifred Westlake and Mrs. Alfreda Dods. Refreshments were served later by the two leaders, assisted by Mrs. Myrtle Keifer.

Mothers who were present were the Mesdames Cartwright, Klivans, Keifer, Carson, Bell, Rogers, Conner, Maxwell, McGovern, Higgins, Preston, Fisher, McGinnis and Aubel. Special guests were Mrs. A. B. Street and Mrs. Henry Rappold.

## FIFTH SERMON AT ST. JOSEPH

Rev. Fr. A. J. Pauley, D. D., of Pittsburgh, will speak on "Catholicity" tonight, in the St. Joseph church on Jefferson street, at 7:45 o'clock.

"Christ Crucified" will be the theme of the last sermon next Tuesday night in the St. Joseph church. To date Rev. Pauley has delivered four sermons in the local church.

Announces Candidacy For Republican Nomination In First District

WALTER W. DUFF

Walter W. Duff, who resides at 210 Leasure Ave., Second Ward, New Castle, Pennsylvania, today announced his candidacy for the office of Representative in the General Assembly from the First Legislative District of Lawrence County, comprising the City of New Castle.

Mr. Duff was born in Mahoning Township, Lawrence County, November 23, 1888, and has been a resident of New Castle continuously since 1908.

He was graduated from New Castle High School in 1907 and from Bucknell University in 1911. After his graduation he served as a Civil Engineer in the employ of the State Highway Department for two years. He then became Superintendent of the Lake Erie Limestone Company, with plant and quarries in Mahoning Township, and continued in said employment until 1932.

In 1919 Mr. Duff also became General Manager of the New Castle Lime & Stone Company, with offices in the Temple Bldg., New Castle, Pa., and continues to act in such capacity.

In 1927 he was elected a member of the School Board of the City of New Castle and was re-elected in 1933. His wide knowledge of and interest in educational matters is attested by the fact that he was made Chairman of the Association of Second Class School Districts of the State of Pennsylvania, which position he now holds.

Mr. Duff is married and has three children. In his statement of announcement Mr. Duff says:

"I am deeply impressed with the responsibilities of the office for which I am now a candidate. In normal times, the legislator is charged with important duties. In abnormal times his duties become increasingly more difficult. We are living in and passing through a time characterized by experiments in social and economic legislation; large demands are being made upon national, state and local governments, and at the same time there is a persistent and justified demand for lower taxes. I am not opposed to progress. I am definitely in favor of government performing for its citizens every duty that it owes to them, but I believe that critical analysis and thoughtful study should be given to such legislation before it is enacted into law. Moreover, I believe that such laws should be enacted as would insure that the taxpayers' money shall be economically expended.

I am in favor of the return to third class cities of an equitable proportion of the motor license fees and state gasoline tax to be used by said cities for the construction and repair of such streets as they desire.

The repeal of the Eighteenth Amendment rendered it necessary for the State to enact legislation to control and regulate the liquor traffic and to provide for needed revenues. This legislation was enacted hastily and may be imperfect in restraining and regulating the traffic. Defects appearing therein should be corrected in the public interest.

Many thoughtful persons believe that there is too much centralization of authority in State and Federal government; that perhaps these agencies are regulating and controlling matters which could be more wisely determined locally. We certainly have travelled a long way in this direction. I am convinced that this matter needs serious thought.

In this brief announcement it is impossible for me to set forth in detail my position on many questions. All that I promise is, if nominated and elected, I will to the best of my ability serve my constituents.

## POISON DRINK KILLS ONE MAN, SECOND ILL

ROCHESTER, Pa., Mar. 20.—One man is dead and another is ill from drinking rubbing alcohol. Frank Hohman, 43, Rochester, was found dead shortly before noon yesterday in the basement of the municipal building. Harry Dally, 48, Rochester, was reported recovering last night after having consumed a quantity of the alcohol.

Hohman and Dally, both homeless, had been in the habit of sleeping in the night lodgers' compound at the building.

## Smaller Acreages Will Be Planted By State Farmers

By ARTHUR C. WINE  
Special Washington Correspondent

WASHINGTON, D. C., Mar. 20.—With the exception of barley and tobacco, Pennsylvania farmers expect to plant smaller acreages in 1934 than in 1933, the United States Crop Reporting Board announces. On the basis of farmers' intended plantings as of March 1, the board forecasts the following 1934 acreages in Pennsylvania.

Corn, 1,242,000 acres as against 1,200,000 acres in 1933, a decrease of 3 per cent as compared with a decline of 9.9 per cent in the nation's corn acreage.

Spring wheat, 6,000 acres as against 7,000 acres in 1933, a shrinkage of 16 per cent compared with a decrease of only 1.9 per cent in the country generally.

Oats, 906,000 acres as against 925,000 acres in 1933, a decline of 2 per cent contrasted with a decrease of 5.7 per cent in the country's oats plantings.

Barley, 84,000 acres as against 81,000 acres in 1933, an increase of 4 per cent compared with an increase of 17.6 per cent in the nation. Tame hay, 2,400,000 acres as against 2,424,000 acres in 1933, a decrease one per cent contrasted with an increase of one-half of one per cent in the country generally.

Potatoes, 187,000 acres as against 189,000 acres in 1933, a decline of one per cent contrasted with an increase of 7.2 per cent in the country's potato acreage.

Tobacco, 27,800 acres as against 25,300 acres in 1933, an increase of 10 per cent contrasted with a decrease of 25.6 per cent in the country's plantings of tobacco.

ifications and plans can be completed by the clerical force and draftsman of his office. Bids will then be advertised and contracts awarded on the remainder with the cost of the entire program placed by Graham at \$95,000.

Money for the payment is derived from the PWA. It amounts to \$200,000 and includes in addition to the bridges a road building program at Stoneboro and Buhl Park, Sharon of two miles.

## Launch Bridge Building Program

Mercer County Will Erect 17 Bridges During Coming Year

MERCER, Mar. 20.—Contracts for 8 out of the 17 bridges that are to be built and repaired in Mercer county have already been put through the legal process of bidding and awarding of contracts.

County Engineer F. P. Graham of Grove City states that the remaining portion of the total will be handled just as soon as the specifications and plans can be completed by the clerical force and draftsman of his office. Bids will then be advertised and contracts awarded on the remainder with the cost of the entire program placed by Graham at \$95,000.

## CLOSING OF CWA WORRIES GROVE CITY

GROVE CITY, Mar. 20.—Borough officials are deeply concerned over the problem of completing improvement of 4½ miles of Grove City streets under CWA, with the time limit set for April 1. Many of the streets are closed to travel, and al-

## MEDICAL ADVICE

If you want to...  
...relieve constipation gently and safely  
...take the exact dose suited to your need  
...avoid danger of bowel strain  
—use a liquid laxative

Can constipation be safely relieved? "Yes!" say medical men. "Yes!" declare thousands who have followed their advice and know.

You are not apt to cure your constipation with salts, pills and tablets, or any habit-forming cathartic. But you can safely relieve this condition just by gentle regulation with a suitable liquid laxative.

Why Hospitals use a liquid laxative  
The dose of a liquid laxative can be measured. The action can thus be regulated to suit your individual need. It forms no habit; you need not take a "double dose" a day or two later. Nor will it irritate the kidneys.

The right liquid laxative will bring a perfect movement, with no discomfort at the time, or afterward.

The unwise use of strong cathartics may often do more harm than good.

In buying any laxative, read the label. If it contains a doubtful drug, don't take it. If you don't know what is in it, don't

chance it. The contents of Dr. Caldwell's Syrup Pepsin is stated plainly on the label: fresh herbs, pure pepsin, active senna.

Its very taste tells you Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. Drug stores have it, ready for use, in big bottles.

THE TEST:  
This test has proved to many men and women that their trouble was not "weak bowels," but strong cathartics!

First: select a properly prepared liquid laxative. Second: take the dose you find suited to your system. Third: gradually reduce the dose until bowels are moving of their own accord.

Dr. Caldwell's Syrup Pepsin has the highest standing among liquid laxatives, and is the one generally used.

though CWA funds are available to complete the work, it may prove impossible to finish under the reduced working schedule. Councilmen are concerned over the cost of finishing the streets if CWA, or other Federal funds are withdrawn after April 1. The street project was halted early in February, and due to weather conditions, very little work could be accomplished since. Originally, funds were approved for 10 miles of street improvement, but local officials will be more than satisfied if they can complete the work already started.

## WOLVES WILL MEET TONIGHT

Regular meeting of the Wolves club will take place tonight in The Castleton.

A dinner at 6:30 o'clock will mark the opening of the session. An amusing program has been arranged by A. Marino, chairman of the program committee.

## Policeman, Thief Given Long Term

YOUNGSTOWN, O., Mar. 20.—Sentence of from 10 to 25 years in the Ohio penitentiary was pronounced upon former Patrolman Carl Bixler today by Judge Erskine Maiden Jr. in Mahoning county common pleas court.

Judge Maiden found Bixler guilty on a charge of robbing the Grennan Bakery last July.

Bixler was given 30 days grace to file an appeal, and his appeal bond was reduced to \$5,000.

Bixler's former partner on police cruiser duty, Thomas Joyce, is serving a sentence of from one to ten years on a burglary charge.

## Bird Shops In Pittsburgh Are Under Quarantine

Seek To Prevent Spread Of Parrot Fever, Fifty Persons Reported Suffering

(International News Service)  
PITTSBURGH, Mar. 20.—With 50 persons believed to be suffering from the deadly psittacosis (parrot fever) two more bird shops in the downtown area were placed under quarantine today as suspected sources of the malady which has cost two lives officially and suspected to have killed three others believed at first to have been pneumonia deaths.

It was disclosed today that three illegal parrot shipments had been sent to Pittsburgh last January but that the city health department had failed to guard against the disease until March 5. Ten deaths are believed to have been caused by the disease since February 1.

Further disclosures were that of 72 birds received at one pet shop January 31, 63 were dead on arrival. The shipment was refused. Another shipment of 72 birds received January 1, had one bird in poor condition. Other shipments containing more birds than the health certificates brought 154 birds into the city before the epidemic was discovered.

## New Castle Youths Win Coveted Awards

Pollock and White, Seniors At W. & J., Lauded Before Student Body

Two New Castle seniors at Washington and Jefferson college, Clifford G. Pollock and Jack L. White, were highly honored by the school this week when they were named recipients of two of the most coveted prizes which the institution gives annually. The prizes were presented to them at a student assembly. The Howard Burnside Coblenz

Memorial prize of \$50, awarded on the basis of leadership in college activities, good scholarship and exertion of Christian influence, was awarded to Pollock. He is a member of Beta Theta Pi fraternity, has been president of the Y. M. C. A., editor of the Pandora, W. and J. yearbook, and an active participant in intramural athletics.

White, according to word received here, was given equal rating with Richard Y. Dairymple, Chester, W. Va., for the Silliman scholarship, awarded for good scholarship and active Christian influence, and divided the \$50 award. White is a member of Beta Theta Pi fraternity, is basketball manager, secretary of the Student Council and an active member of several honorary societies.

## Kokkolo Ordered To Leave City

Police Records Catch Up To Man Taken In Custody Monday

Police records caught up with John Kokkolo today and should John be in New Castle at 9 a. m. Wednesday he will be started toward the Allegheny county workhouse to serve a sentence of five months and 29 days, according to Mayor Charles Mayne in police court.

He was taken in custody yesterday on a charge of begging money. He also had been drinking. When he faced Mayor Mayne, Detectives Chief McMullen recognized Kokkolo and showed a record of his having molested a small girl last fall here.

As he is a residence of an Ohio town the mayor imposed the sentence—valid if he is here tomorrow morning.

The test of growth is to visit the old home town and observe whether important citizens still seem that way.

One way to meet prominent people is to get a job with a collection agency.

## Will Have Parts In Senior Play

High School Seniors To Present "Your Uncle Dudley," Friday

Ruth Wilkison has been cast for the part of Ethelwyn Church in the comedy, "Your Uncle Dudley," scheduled by the June graduating class for performance Friday night of this week in the Senior High school auditorium.

The varying fortunes of Ethelwyn's youthful romance with Robert Kirby, keep up a running accompaniment for the middle-aged courtship of Uncle Dudley himself. Ethelwyn's success in a singing contest for a five thousand dollar scholarship to Europe is the pivot on which all the action of the play turns. It is Miss Wilkison's ability as a singer, which in part at least, won her the role. She is a member of the Senior high school's capella trio, which has appeared at a number of school programs, and is a sister of Miss Marion Wilkison, who last year was also prominent in singing events at the Senior high school and in various plays. Ruth Wilkison is the daughter of Mrs. Margaret Wilkison of East Wallace avenue.

Gerald George is Robert Kirby, the devoted and determined, but long-suffering young man who is in love with Ethelwyn Church. He it is who raises for the young singer the question of a career versus matrimony. Since a career is the decision of Ethelwyn's mother for her gifted young daughter, and since Mrs. Church is a person of inflexible will who wins her point by hook or by crook, Robert Kirby must become a hero and a man of action, or lose his sweetheart. Gerald George compasses this character-development so that all may end happily. He is the son of Mr. and Mrs. Charles Vandetta of Neshannock avenue.

Spring will officially begin on Friday April 13 as far as the Christian Endeavor Societies of Lawrence county are concerned, for that is the time of the annual spring rally in the Central Presbyterian church (the old White hall to the older generation.)

The rally will get underway at 6:00 p. m. with a banquet and several special features, a business meeting following at 8 p. m. Election and installation of new officers will take place and a talk will be given by Rev. William Hammond, a special guest.

The rally will be climaxed and brought to a close by the presentation of "The Challenge of the Cross" by the Christian Endeavor members of the Central Presbyterian church. The Endeavorers of the county had been told to "dig in, dig down and dig out" to the rally. There will undoubtedly be a large crowd in attendance.

## ALL-BRAN RELIEVED HIS CONSTIPATION

Delicious Cereal Brought New Health to Mr. Bartholomew

We quote from his voluntary letter: "I had considerable trouble with my stomach. Digestion was out of the question. I got medicine which gave me only temporary relief."

"Then I thought of taking ALL-BRAN. I started eating a cereal dishful two or three times a day."

"It has been over a year now since I ate that first dish of bran, but from that day to this I have had the pleasure of enjoying the proper functioning of the digestive organs."

"Thanks to ALL-BRAN. I still eat it regularly and like it better all the time."—Lester Bartholomew, Cadillac, Mich.

Constipation is usually due to lack of "bulk" to exercise the intestines, and vitamin B to promote elimination. ALL-BRAN supplies both, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. Certainly this food is more natural than taking harmful patent medicines. Two tablespoonfuls daily will usually overcome most types of constipation. With each meal in chronic cases. If not relieved this way, see your doctor.

## Lenten Mission In First Church

Former Pastor Is Greeted By Friends; Ministers Take Part In The Service

A large and deeply appreciative congregation enjoyed the Lenten Mission Service conducted by the pastor Dr. Norris A. White, at the First Methodist Episcopal church on Monday evening. Dr. John H. Clemens of Meadville, a former pastor of the church was preacher for the Mission and spoke up on "The

Most Wonderful, Most Important and Most Comprehensive Text of the Bible" John 3:16.

At the close of the service a host of friends of the years gone by crowded about the chancel of the church to speak with their former pastor. The music was led by the combined Vested Junior and Gowned Intermediate choirs and proved an inspiring feature of the service.

Rev. C. S. Joshua, pastor of the Oroton Avenue Methodist church made the opening prayer and the benediction was pronounced by Dr. H. C. Weaver, a former pastor of the church.

At the service tonight the pastors friend Rev. Dr. Herbert A. Baum

## Collegians Top Tin City Rovers By Score 31-22

Pete Leyshock High Scorer;  
Jimmy Shaffer Scores  
Eight Points

GERSONS DEFEAT  
SHARON JACKS

A fast Collegian basketball team invaded New Castle last night before a crowd of perhaps 700 in the George Washington Junior High School gym and walked off with a 31 to 22 victory in a well played and interesting battle. Wesley, Bennett the nation's leading scorer in collegiate circles was held without a field goal, but he played a fine floor game and tried hard to register. Pete Leyshock, the Farrell boy was high scorer for the evening with 10 points, followed by Jimmy Shaffer of the New Castle team with 8 points.

Collegians Lead

In the first quarter the Collegians had a hard time adjusting themselves to the floor and were behind 8 to 7, but at the end of the first half the Collegians held a 15 to 10 lead, with the Tin City Rovers only scoring two points. Leyshock grabbed off two field goals and Wilhelm secured one in the second period. S. Pawk with two fouls gave the locals their only points. The third period it was even with four points apiece and the score was 19 to 14 when the whistle blew. Leyshock had another field goal and Wilhelm and Douglass dropped in fouls, while Shaffer had a field goal and Hutchinson and Leyshock had fouls for the locals.

The fourth and final period found the Collegians opening up with the old snap and vim and flinging in four field goals led by Ray Sweeney the Youngstown South High star of other years who made three fine shots for points. Douglass had the other field goal, and Bennett had a foul. So did Hunneke and Wilhelm. For the Tin Cityians Shaffer dropped in two fine shots and Lester "Bus" Reiber, former New Castle High star caged a field goal and foul. The Tin City boys had but eight points the last half.

Bennett Tries Hard

Wesley Bennett tried hard to register a field goal, but they simply would not drop in. Bennett tried about 25 shots, and some of them were very close, including two of his special shots over his head, but it wasn't Bennett's night. He took the jibes of the crowd in good natured manner. He tried his level best to please the customers, but it was just one of those nights. But, Pete Leyshock and Ray Sweeney furnished the fireworks for the Collegians. Hunneke and Wilhelm played fine guarding games for the Collegians. Captain Billy Douglass looked good when he entered the game. The Tin City Rovers missed their star guard "Ganzzy" Benedict who was unable to play. Coach Fraser used S. Pawk, J. Pawk and Salem of the Company D Penn Drake team of Butler in the Tin City lineup.

Gersons Win Game

The preliminary game proved an interesting and exciting one with the Gersons of New Castle taking the measure of the Sharon Jacks 42 to 38. The Gersons used Lester "Bus" Reiber in the lineup and the blond terror came through with 14 points to be high scorer for New Castle with Natley, also a former New Castle High star making 13 points.

Wansach of the Sharon Jacks was the high point man of the game with 17 points, while his team-mate Umlauf had 12 points. The lead sawed back and forth all during the game, with the Sharon Jacks ahead at the half. Tepic and Hanlon looked good in the Gerson lineup. The Sharon quintet recently defeated the Gersons at Sharon and the

game last night evened up the series.

## Cardinals Banking On Pitching Staff

Mgr. Frankie Frisch Hopes  
Hurting Staff Will Pull  
Team Through In  
1934

Finished Fifth Last Year  
With Second Best Team  
In League; Have A  
Snappy Infield

By DAVIS J. WALSH  
International News Service Sports  
Editor

FORT MYERS, Fla., Mar. 20.—Somebody, having a deft touch with words, once said something pretty bright about an embarrassment of riches. Maybe it was Shakespeare; it could have been Shelley. It might even have been Tunny. I'm not much on that sort of thing, owing to the fact that most of my background seems to be pretty much in my shirt front.

Anyhow, whoever it was, he wasn't talking about the pitching staff of the St. Louis Cardinals, according to Frank Frisch, the manager.

Good Pitchers

"They said we had too many pitchers last year and, when the checks were down, we didn't have enough," the gentleman said today, more in sorrow than in anger. "That's why we finished fifth with a club that at least was the second best in the league. With all the pitchers they said we had, we finally wound up with three. They were able to win 53 games. The rest couldn't beat the House of David on one of its bad days."

The Cardinals seem to have a lot of good pitchers under contract this time. That is, they're good pitchers on paper. But paper pitchers are liable to be like paper napkins. After you use them, the next step is to call in the board of health.

This, strangely, is supposed to be the strength of the Cardinals and yet it presents their only valid question. They're "shoulda" pitchers. Mr. Dizzy Dean "shoulda" been the best pitcher in the league but his record shows 20 wins and 18 lost. J. James O. "Tex" Carleton won 17 and lost 10. Mr. "Lefty" Hallahan won 16 and lost 12.

Rhem Is Holdout

Mr. James I. Mooney, the left hander, looked like the best pitcher in camp last spring. After that, he looked like the worst in America. Bill Walker, also left handed, couldn't seem to get them out. Jesse Haines, of course, has become a "spot" pitcher by this time.

In addition to Carleton, Dean, Hallahan, Haines, Mooney and Walker, the 1933 outfit now has Paul Dean, brother of Dizzy, Burleigh Grimes, doing Ponce de Leon at Hot Springs; Flint Rhem, holding out for reasons that undoubtedly seem lucid and logical to Flint Rhem; Ed Greer, Clarence Heise, Bob Klinger and Jim Winford.

Bill De Lancy and Mike Gonzales, juvenile and veteran respectively, will be the second and third catchers behind Virgil Davis, obtained from the Phillies in the Wilson deal.

Le Lancy and Gonzales were with Columbus.

Rookies Impressive

So were Burgess Whitehead, Benny Borgmann, ranking basketball player; and Jack Rothrock and all three are highly esteemed in this camp.

They have acquired one of the two best hitters in the league, Davis, 348, to catch ninety percent of their games. They have a smart, hustling infield in Collins, 310; Frisch, 302; Durocher, 253, and Martin, 316. They have a fair outfield in Medwick, 306; Orsatti, 298, and Watkins, 278, although I understand this is open to revision without further notice.

This is a first class ball club, a real contender that seems to have all the answers. There is, in fact, only one thing the matter with it. The best club in baseball is in the same league.

## Franklin High To Play Union High Reserves Today

Franklin High School varsity team will go into action today at the Franklin High floor at 4:30 o'clock by playing the fast Union High Reserves in a return game. Coach Wallace has been polishing up his team with some stiff workouts. The Franklin lineup will probably include—Eddie Ostrosky, Zingaro at the forwards, Mumford at center, DeCaprio and Merando at the guards. The teams are about evenly matched and a good game is looked for.

## Successor Buys Lipton's Yacht

LONDON, March 20.—Shamrock V, the beautiful green-hulled yacht with which the late Sir Thomas Lipton made his last unsuccessful bid to capture the America's Cup, has been bought by C. R. Fairley Rear-Commodore of the Royal London Yacht Club.

For the last two seasons Shamrock V has carried the racing colors of T. O. M. Sopwith, the wealthy Englishman who is challenging for the America's Cup this year with his new sloop, "Endeavour."

## HERE AND THERE IN SPORTS' LAND

Charlotte Glutting, South Orange, N. J., captured the medal with a 79 yesterday as a field of 74 battled at Pinehurst, N. C., in qualifying play for the thirty second annual women's North and South golf championship.

Chief honors at Tropical Park, Fla., yesterday went to Big Beau, owned by J. P. Headley. With Bobby Jones in the saddle Big Beau lowered the track record for one and one sixteenth miles to 1:43 2-5 in taking the Seminole handicap.

Humberto Ace, Puerto Rico heavyweight put Don Petrin, of North Arlington, N. J., away in the eighth round of a 10 round bout at Newark. The Johnny Risko-Bob Nodwicz scrap, listed for Daytona Beach, Fla., was postponed to-night owing to inclement weather.

No more spectacular athlete than the late Carl Forkum, who passed away at Donora yesterday ever graced a New Castle high gridiron. Not only did he gain additional prestige for himself but also for New Castle when he starred at W. & J. and proved a four letter man at Penn State. In addition after he had put college football playing days behind him he coached football and later had a bid to enter major league baseball.

Forkum, according to recollections had his football baptism at New Castle high 1901 and in 1902, was full-back and captain at Ne-Ca-Hi. That was the season when Attorney George W. Muse, who might be called the father of New Castle football acted as coach. In 1901, as far as recollections serves, New Castle did not fare so well but with Forkum as fullback and captain had a good season in 1902.

After leaving New Castle high he went to Washington & Jefferson and played a whale of a game at tackle. He played there about 1904 and then went to Penn State. He played halfback the first season with the Nittany Lions, the last Andy Smith being fullback. He played two more years there as fullback and served one season as captain.

While at Penn State he starred not only in football but also in basketball, track and baseball. He was known as one of the greatest hurdlers in college circles and also one of the highest in scholastic honors. He received several scholarships on account of his scholastic standings.

After graduating from Penn State he became coach at West Virginia and while coach he was referred by by metropolitan newspapers as the "Teddy Roosevelt of Football" owing to his declaration before a game in which his proteges were to play the Pitt Panthers.

In a pre-game talk to his football warriors Coach Forkum to "play hard and not to be afraid of hurting or being hurt." Further, he stood for everything that was fair and told his charges he would rather have his team lose fairly than win any other way. While employed at Sharon, he played baseball and turned down an offer to enter the majors.

Some years ago he was the principal spokesman at a New Castle high banquet and when the former warriors of Ne-Ca-Hi played the stars of a few years ago in a game at Ben Franklin field, now Taggart stadium, Forkum was among those who was in uniform and was in the exhibition game.

Paul McCullough, local pitcher who has had a checkered career may and may not return to organized baseball this season. The hurler yesterday said he had received a contract from Manager Kiser of the Des Moines, Ia., club of the Western league but had returned it unsigned because the salary was not commensurate with what McCullough believes just. He said he had informed Kiser that Montreal had offered him considerably more than D. Moines and had told Kiser he would be willing to report if Des Moines paid him what he was worth to Montreal.

## Must Get Players From "Simon Pures"

(International News Service)  
WASHINGTON, Pa., Mar. 20.—One more season under the "New Deal" and then the long, clear call for alumni aid.

What some observers of Washington and Jefferson College's revised football program are predicting today.

They are wondering where and how, after the 1934 season, Coach Hank Day is going to obtain the gridiron material necessary to compete successfully with other Class A teams still operating on the "scholarship plan."

For after the coming season, the last of the scholarship players will be gone, and Coach Day will have to mold his teams out of the so-called "simon pures" who have come up from the ranks under the "Premises" "New Deal."

## Walter Raskowski Is Named Captain Of Football Team

Star Guard On 1933 Team Is  
Appointed To Captaincy  
By Coach Bridenbaugh

FARRELL SCHEDULED  
FOR SPRING GAME

Walter Raskowski, star guard on the W. P. I. A. L. championship New Castle High "Red Hurricane" football of 1933, has been appointed as captain for the 1934 season by Coach Philip H. Bridenbaugh. It was announced by Faculty Manager Ralph H. Gardner today.

The appointment each year must have the approval of the Athletic Council and such approval was given unanimously to the choice submitted by Bridenbaugh.

Popular Approval

Raskowski is without a doubt one of the finest guards that ever played on the New Castle High team. He ranks along with Alec Fox, DeCarbo, Mooney, Ted Hess and others.

His selection has met with popular approval throughout the Senior High School student body. Raskowski will be a Senior next year. He will either play his old position on the line, or be converted into a backfield man according to Coach Bridenbaugh.

Gardner also announced that New Castle High School football team will play a night spring game at Farrell on May 11, the necessary arrangements having been made.

There is an effort under way by Mr. Gardner to have a spring game here on the evening of May 4, and as yet no school has been selected. Ambridge has been approached for a game.

SEVENTH WARD  
NEWSMcKee Is Getting  
Along Fairly Well

Kenneth McKee, of West Cherry street, who was taken from the C. C. camp at Trout Run, Pa., to the Walter Reed hospital at Washington, D. C., who was operated on his neck and head for gland trouble, is getting along as well as can be expected although he has suffered quite a lot.

SUNDAY DINNER IN  
HONOR OF BIRTHDAY

Dinner was served to a few of Miss Virgil Wettich's Westminster College classmates Sunday at the home of her parents, Mr. and Mrs. Lewis Wettich, West Clayton street, in honor of her birthday anniversary, which occurred Saturday, March 17.

The afternoon hours were spent informally.

## MAKE VISIT HERE

Mr. and Mrs. Harold Brooks, of Weirton, W. Va., were week-end visitors at the home of Mr. and Mrs. Theodore Allen, Liberty street, Morton Burton, of Chicago, was a Sunday visitor.

## SHOPS FOR "SKY HOOKS"

A young boy was sent from a local gasoline station Friday to buy a pair of "sky hooks" at a local hardware store. It was a joke well known to the older set (in the same class as snipe hunting, etc.), but it sounded reasonable enough to the youngster. The hardware dealer said that he was fresh out of sky hooks and suggested that the young fellow go to one of the grocers. The grocery store didn't sell them so the boy went to the Mahoningtown postoffice for a little information. And so on through the day.

## PARTY IS ENJOYED

A bingo party was enjoyed following the regular monthly meeting of Augusta Stutzer Auxiliary to the Brotherhood of Railroad Trainmen in the Clendenin building on Monday evening.

A delicious lunch was served by the social committee, Mrs. Lois Arrow, Mrs. George Kennedy and Mrs. Rose Gilliland.

The next regular meeting will be on the third Monday evening of April.

## OHIO MAN HURT

Minor injuries to the right hand and wrist were received by Edward Mitchell, of Youngstown, O., who was driving a bakery truck on Atlantic avenue Monday. The truck skidded and went into a ditch. Mitchell raised his arm to brace himself against the windshield. The windshield broke, cutting the driver's hand and wrist.

## ADD SEWER TROUBLE

Another of the numerous cases of defects in the Seventh Ward sewerage system can be found at the south end of the Cedar and Cherry street intersection. A duck pond is created at that spot upon the slightest provocation.

## CAR UPSETS NEAR HERE

A resident of Oakland received a painful but not serious gash on his head Friday afternoon when the automobile, owned and driven by him, skidded, hit a culvert and up-

set on the Mt. Jackson road at the foot of the hill. The passengers in the car were uninjured. The injured man was taken to a doctor's office where the cut was dressed. He was then removed to his home. His name was not secured. The car was headed toward Mt. Jackson at the time of the crash.

## SEVENTH WARD PERSONALS

Mr. and Mrs. Joseph Patterson, of Grove City were recent visitors here.

Robert Barnes and son, of Pittsburgh, were Sunday visitors in seventh ward.

Mrs. Herbert Mullen, of West Madison avenue, is confined to her home by illness.

Mrs. Robert Barnes, of Pittsburgh, who had been visiting her for a week, returned home Sunday.

Mrs. I. W. Taylor, of West Madison avenue, attended a meeting of Pythian Sisters in Beaver Falls, on Monday.

Mrs. Carrie Logan of this ward, president of the Augusta Stutzer Auxiliary, is confined to her home by illness.

Sisters Fined In  
Conspiracy Plot

Sisters Of Convicted Bank Robbers Pay \$200 Fines In Mercer Court

MERCER, Mar. 20.—The final chapter was written in the case growing out of the Fredonia Bank Robbery of last October, when Constance and Rose Ferruccio appeared for sentence on a charge of conspiracy to extort a confession, their alleged victim being Joe Spano, of Greenville.

The court told them that he could give them imprisonment for the crime, but believed that they had been influenced and that their appearance was not that of criminals. They were sentenced to pay the costs and \$200 fine each.

When questioned by the court as to who their companions were when they made the trip to Greenville, and compelled Spano to accompany them to the State Police Barracks and make the confession, they said they were unaccompanied but their statement was not taken by the court to be the truth. They were prepared to settle and returned to home in Canton, Ohio. Their two brothers are now serving terms in the Western Pennsylvania for robbing the Fredonia bank.

DRUM CORPS PLAN  
SUMMER CONTESTS

GROVE CITY, Mar. 20.—The Four-County Drum Corps Association was reorganized at a meeting here today, with representatives present from Sharon, Greenville, Grove City, Rochester and Ellwood City. Plans were outlined for a series of contests to be held during the coming summer.

Col. Fred McCoy of this city was elected chief judge, and others will be selected. Earl Seiple and Roy Burns, both of Greenville, were re-elected president and secretary-treasurer for the year.

SCHOOL BOY ABLE  
TO LEAVE HOSPITAL

Thomas Leroy Johnson, of R. F. D. No. 6, who had his hand crushed last week, when a piano which he was helping to move slipped and fell at Shenango high school has been able to return home from the Jameson Memorial hospital.

## STOCKS

Stock Market  
Is Firm TodayList Continues To Indicate  
Highly Nervous Condition  
Of Trading ElementMOTOR SHARES  
SOMEWHAT FIRMER(International News Service)  
NEW YORK, Mar. 20.—The stock market presented a semblance of firmness today, although the list continued to indicate the highly nervous condition of the trading element.

While the amended stock exchange regulation bill tended to improve sentiment somewhat, the labor troubles of the automobile and railroad industries continued to dampen speculative enthusiasm.

United States Steel and other steel shares including Bethlehem and Republic were strong in light trading with gains running to a point on buying credited to shorts.

The motor shares, including General Motors, Chrysler and Auburn, also were firmer and fractionally higher.

A better tone in New York Central induced some demand for the carrier shares, but this was due to the absence of any aggressive selling rather than any rush to take on stock. The favorable car loadings figures of last week also served to better the sentiment over the carrier shares.

The commodity markets were stimulated by the passage of the Dies silver bill in the house yesterday. Wheat, corn and the other grains were firm and fractionally higher, cotton gained about 3 cents a bale, and silver nearly a cent an ounce.

The silver shares were stronger under the lead of United States Smelting which gained nearly 3 points. Aviation, oil, and utility shares were quiet.

Dr. Wier Ketler  
Is Speaker HereIs Principal Speaker At Meeting  
Of Bell Memorial  
Brotherhood Monday

ELLWOOD CITY, Mar. 20.—One of the most successful meetings of the year was held by the Brotherhood of the Bell Memorial church last night in the dining room. About 75 were present on the occasion.

A splendid banquet was served at 6:30 by the Ladies Aid Society. A number of violin selections were rendered by John Kuczmarski accompanied by Robert Stevenson.

The feature of the evening was an inspiring address by Dr. Wier Ketler, president of Grove City College. Dr. Ketler's address was on the subject of "The Future of Our Country as Based on Historical Facts." The address at the close was heartily applauded by those present.

Another interesting event of the program was a talk by W. F. Kegel. The Brotherhood will meet again on the third Monday of April.

American Legion  
Has Meet Monday

Local Post Observes "Dad's Night" In Legion Rooms Last Night

ELLWOOD CITY, Mar. 20.—J. Wilbur Randolph Post of the American Legion, Ellwood City, observed Dad's Night at their regular meeting in the Legion rooms Monday evening. A fine turnout of post members and their fathers featured the affair.

Short talks were given by a number of the guests present. The evening was enjoyed in a general social manner. At a later hour a luncheon was served by Mess Sergeant Ralston Zeigler. The post will meet again on April 2.

The case of Ray Mattocks, charged with embezzlement of funds belonging to the Ellwood City school board, is still on trial in county court today before Judge James A. Chambers.

Testimony is largely of a technical character, relating to audits which were made of the books kept by Mattocks while secretary of the Ellwood City school board.

Mattocks blames the system of bookkeeping for his alleged discrepancies, claiming that he never used any of the \$2,029.65, which the school board claims the shortage to be.

# Millions Will Get Work Under Division Plans

Work Divisions Plan Will Succeed CWA On March 31, Says Director Hopkins

(International News Service)  
WASHINGTON, Mar. 20.—Virtually every state was reported ready today to embark on the government's "work divisions" plan of unemployment relief, as Harry L. Hopkins, federal relief administrator, cut short the time for the CWA from May 1 to March 31.  
Between 1,500,000 and 2,000,000 workers will benefit by the new plan in cities, while rural areas will enter the first stages of a long-term relief program never before attempted.  
Hopkins plans to apply a combination of government-aided subsistence homesteads and decentralized small industries to the rural problem. About 1,000,000 farmers will be assisted to establish themselves, either on better paying small subsistence farms or on improved farms already occupied by them.

# Engineers Will Hear Of Canal

American Society Of Mechanical Engineers Branch To Meet In Youngstown

Major W. D. Styer, of the United States Army, Board of Engineers, will be the speaker at the Youngstown section of the American Society of Mechanical Engineers on March 23, at 8:15 in the Central Y. M. C. A., Youngstown.  
Major Styer's subject will be "The Engineering Aspects in the building of the Beaver-Mahoning river canal." H. S. Warwick of Youngstown, will also deliver a short address on "The Economic Viewpoint of the Project."  
The meeting will be open to engineers and their associates and a smoker will follow the meeting.

# When You Buy Be a Real Purchasing Agent!

Purchasing agents are employed by large businesses solely to buy the materials needed in the running of those businesses. They spend great amounts of money and they must know how to get real value for what they spend.

Judged from the standpoint of economy, comfort, convenience and safety, Lakes-To-Sea Stages offer an outstanding value in transportation between New York, Cleveland and intervening local points.

The next time you spend money for travel, do it wisely as a purchasing agent would. We're confident that an investigation of values will lead you to buy a ticket over Lakes-To-Sea Stages.

# Deegan Is Positive Dillinger Was Here On Friday, March 9

Superintendent James E. Deegan of the Prudential Life Insurance Company here believes that John Dillinger, the nation's fugitive killer, was in the Prudential office on the afternoon of Friday, March 9. "At the time he was here I became mighty suspicious of the stranger," Deegan reported this morning, "but when I saw a large face photograph of Dillinger a few days later was positive it was Dillinger himself." Deegan said today that he notified Chief of Police John F. Haven as soon as he saw the picture.

Miss Leona Johnston, Prudential office assistant, also remarked as to the likeness.

# Coin Club Visits Auction In Sharon

Visitation Takes Place Of Regular Meeting Monday Evening

Members of the New Castle Coin Club went to Sharon Monday evening, where they attended a stamp and coin auction, in lieu of the regular meeting of the club.

Those who made the trip felt well repaid for their efforts and met a number of collectors from Western Pennsylvania and Eastern Ohio.

A get-together was held following the meeting, when those present were given an opportunity to get acquainted.

The next regular meeting of the club will take place on April.
